- 6 Individuals

User Stories - Renter (Tenant)

- 1 As a renter, I want to search for spaces by city so that I can find nearby locations.
- 2 As a renter, I want to filter spaces by price, capacity, and type so that I can find the best match.
- 3 As a renter, I want to view space details, images, and videos so that I can evaluate before booking.
- 4 As a renter, I want to see the location on Google Maps so that I know where the space is.
- 5 As a renter, I want to check availability using a calendar so that I can choose suitable dates.
- 6 As a renter, I want to book a space online so that I can reserve it instantly.
- 7 As a renter, I want to choose payment method (Mada, Apple Pay, Pay Later) so that I have flexibility.
- 8 As a renter, I want to cancel or modify my booking so that I can manage my plans.
- 9 As a renter, I want to save spaces as favorites so that I can return to them later.
- 10 As a renter, I want to write reviews and ratings so that I can share my experience.
- 11 As a renter, I want to chat with the owner so that I can ask questions before booking.

User Stories - Owner

- 1 As an owner, I want to create a profile so that I can manage my business.

- 2 As an owner, I want to add new spaces so that I can list them for rent.
- 3 As an owner, I want to upload images and videos so that renters can see my space.
- 4 As an owner, I want to define amenities so that renters know what is available.
- 5 As an owner, I want to add extra services so that I can offer more value.
- 6 As an owner, I want to set pricing and rental type so that I control my revenue.
- 7 As an owner, I want to receive booking requests so that I can accept or reject them.
- 8 As an owner, I want to track bookings and income so that I can monitor my business.
- 9 As an owner, I want to manage availability so that I avoid double bookings.

User Stories - Admin

- 1 As an admin, I want to manage users so that I ensure platform security.
- 2 As an admin, I want to approve spaces before publishing so that quality is maintained.
- 3 As an admin, I want to monitor bookings so that I can resolve issues.
- 4 As an admin, I want to manage payments so that transactions are correct.
- 5 As an admin, I want to review user feedback so that I improve the platform.
